

3 MONTHS FREE
WITH A 2-YEAR CONTRACT

SOUTHEASTERN INDIANA REMC
FIBER

A Limited-Time Fiber Deal for Co-op Members

As a member of Southeastern Indiana REMC, you're more than just a customer — you're an owner of the cooperative. That ownership extends beyond your electric service to SEI Fiber, the high-speed internet service your cooperative is building across our communities.

To celebrate the continued expansion of SEI Fiber, we're offering a special limited-time member deal.

From April through June, new SEI Fiber subscribers can receive their first three months of service free when they sign a two-year service agreement.

This offer is one more way your cooperative is working to bring value directly back to the people who own it.

Unlike large, for-profit internet providers, SEI Fiber is owned by the same cooperative that provides your electric service. That means the benefits stay local. When you choose SEI Fiber, you're supporting infrastructure built to serve our rural communities — not shareholders in another state.

Your subscription helps your cooperative continue expanding high-speed internet access throughout the region, strengthening local businesses,

supporting students and remote workers, and improving quality of life across southeastern Indiana.

And of course, members also enjoy the benefits that come with SEI Fiber service, including:

- **Fast, reliable fiber-optic internet**
- **No data caps**
- **No hidden fees**
- **Free installation**
- **Local customer support**

Fiber internet has become essential for work, education, healthcare, and entertainment. By choosing SEI Fiber, you're not only getting a great service — you're investing in the future of your own cooperative and the communities we share.

But this member-exclusive promotion is only available for a limited time.

If fiber service is available at your home, now is the perfect time to connect.

To check availability or sign up, visit www.seiremc.com/fiberpromo or call 800-737-4111.

Three months free. Local service you own. Community benefits that stay right here at home.

MEMBER TOOLS AT YOUR FINGERTIPS

SMARTHUB

Your 24/7 connection to your electric account.

View and pay your bill, track your energy use, set up alerts, and manage your account — all in one place from your phone, computer, or tablet.

Access SmartHub:
www.seiremc.com/smarthub
