

Twigs & Sprigs at Stream Cliff Farm

A Farm Dining Experience in Jennings County

Nestled in the quiet countryside of Jennings County in Commiskey, Twigs & Sprigs Restaurant at Stream Cliff Farm offers visitors a unique dining experience surrounded by history, gardens, and scenic farmland. Set on the grounds of a family farm rich with heritage, the restaurant has become a favorite destination for those looking to enjoy great food in a peaceful rural setting.

The kitchen at Twigs & Sprigs is known for preparing fresh, flavorful dishes that highlight herbs and ingredients grown right on the farm. Many of the restaurant's signature meals reflect that farm-inspired approach, with plates often garnished with fresh herbs or edible flowers that add both color and flavor.

Guests frequently return for popular menu items such as the Dill & Rosemary Chicken Salad, Birdseed Pasta Salad, Blueberry Walnut Salad, Cilantro-Lime Chicken Sandwich, house-smoked pulled pork, and the well-loved Salad Sampler Plate. The menu also features rotating weekly specials that allow the kitchen to introduce new and creative dishes throughout the season.

Dessert is another highlight of the Twigs & Sprigs experience. Homemade favorites such as Hummingbird Cake, Bread Pudding with Bourbon Sauce, and Blackberry Cobbler are well known among returning guests and often receive enthusiastic reactions when they arrive at the table.

Guests can also enhance their visit by pairing their meal with selections from Stream Cliff Farm Winery, located right on the property. The winery offers a wide variety of handcrafted wines ranging from dry reds and crisp whites to sweeter fruit wines made from ingredients such as blackberry, peach, and raspberry. Visitors can enjoy tastings while exploring the farm or simply choose a favorite to complement their meal.

The setting itself adds to the charm of the restaurant. During the winter months, meals are served inside the historic winery building on the property. The structure dates back to the early 1800s and was once a blacksmith shop. Today, the space features a warm and inviting atmosphere with a barrel-shaped ceiling, rustic décor, and artwork that reflects the farm's long history.

When warmer weather arrives, the experience moves outdoors. Guests can enjoy their meals on the covered patio while overlooking the surrounding countryside, often accompanied by live music that creates a relaxed and welcoming atmosphere.

With its combination of farm-fresh flavors, historic surroundings, and scenic views, Twigs & Sprigs at Stream Cliff Farm offers a dining experience that feels both timeless and uniquely local. Tucked away in the quiet countryside of Jennings County, it's a place where visitors can slow down, enjoy a delicious meal, and take in the natural beauty that makes southeastern Indiana special. Whether gathering with friends or bringing the family for a relaxing outing, it's a destination worth discovering.
